

## **VIRGINIA COMMUNITY CONVERSATIONS**

### **OVERVIEW:**

**What:** Virginia is having Community Conversations to learn about your family health needs.

**Why:** Your experiences will help us figure out what's working well and what needs to be improved.

**When/Where:** You can join us in person or online, at different locations around the state. Check the registration link to find a time and place that works for you!

**How We Will Use the Information:** We will use what we learn to make a plan for the next 5 years. Your personal information will stay confidential.

**Incentive:** If you join an online session, you will get a \$20 gift card. If you join in-person, you will get food and a \$30 gift card.

### **TYPES OF FOCUS GROUP QUESTIONS (IN-PERSON & VIRTUAL):**

1. What health care (physical, mental/behavioral and oral/dental) and other services do you or your family need as a/an (CYSHCN, Adolescent, Adult)?
2. Tell us about you or your family's experience in attempting to access needed (CYSHCN, Adolescent, Adult) care?
3. Tell us about you or your family's experience in accessing services that are respectful of your values, circumstances and experiences when seeking (CYSHCN, Adolescent, Adult) care?
4. Tell us about you or your family's experience when transitioning from pediatric to adult health care?
5. What do youth think VDH's priorities should be for family health? Why?
6. Tell us about your sense of confidence and trust in family healthcare services made available by your local health department? Why?
